

CURRICULUM VITAE

Mr. Naitik Himatbhai Kyada

B.Tech in Computer Science and Engineering

Email ID : kyadanaitik680@gmail.com

Mobile: +91 99253 62833

CAREER OBJECTIVE

I am a dedicated Software Developer with over a year of hands-on experience in the PHP ecosystem, specializing in building robust backend systems and custom business applications. Currently, I focus on developing high-performance web applications that prioritize scalability and clean code practices. I enjoy solving complex real-world problems by bridging the gap between intricate business logic and seamless user interfaces.

EDUCATION QUALIFICATIONS

Course Name	BOARD/UNIVERSITY	Percentage (%)	Year of Passing
B.Tech (Computer Science and Engineering)	ITM SLS Baroda University	6.64 CGPA	MAY - 2025
H.S.C. (Science)	G.H.S.E.B	64.46 %	MAY - 2021
S.S.C.	G.S.E.B	72.67%	MARCH - 2019

PERSONAL STRENGTH

- **Goal-Oriented & Precise:** I am dedicated to working hard to achieve all project goals accurately and within the required timelines.
- **Effective Communicator:** I possess the ability to communicate ideas clearly and adapt my approach to suit different professional situations or team environments.
- **Efficient & Quick Learner:** I am a fast learner who prides myself on picking up new technologies and processes with high efficiency.
- **Integrity-Driven:** I approach every task with honesty and integrity, ensuring a reliable and professional standard of work.

EXPERIENCE

Codevanta Solutions Pvt Ltd | Software Developer

July 2025 — Present | Ahmedabad

- Designed and deployed a comprehensive GST Billing System to manage high-volume business transactions and invoicing efficiently.
- Integrated financial logic for automatic tax and discount calculations to ensure data accuracy in reporting.
- Utilized PHP (Laravel) and MySQL to build a secure, user-friendly admin dashboard for real-time reporting and invoice history.

Freelance | PHP Developer
